

## COBB ISLAND YACHT CLUB

Cobb Island MD

May 1, 2010

Dear CIYC and PRYCA Folks:

The Cobb Island madcaps, with the aid of the elves that stayed after Christmas, have been actively exploring the sources of the myths and rumors regarding the Crystal Skulls. They have put together a program to challenge the abilities and help to discard the remnants of the winter ennui of you boaters with inclination to accept the dares facing the participants of the Cobb Island Yacht Club "Summer Kickoff," June 18, 19, and 20, 2010.

Interests in the activities on the island have been running high. As my most recent letter mentioned, word has even gotten clear down to Florida. We have been hiding, avoiding snow, and contracting for our new Trawler, the "Island Swan," a Great Harbour N37, to be finished around July or August.

You will find registration material attached for the CIYC 2010 Summer Kickoff. Also enclosed is an application to join the competition for the Cobb Neck King/Queen Cook Off and lastly an application to reserve a slip and participate in the events of the weekend.

Because of the interest in joining us, we strongly suggest that you get your applications in as soon as possible. We have some reservations already. We are pursuing every possibility for slips and will dock all vessels that arrive. For those who are interested and willing, we have several desirable anchorages, both north and south of the bridge.

Beware of the power of the Crystal Skulls, enjoy safe boating, and see you in June!
